Create YOUR success story at NTI

‘And because of the class, I am now increasing my yearly income to over \$40,000 a year. Thank you NTI.’

- Bobby Sampay

‘Within hours of NTI finishing my resume, they sent it out to their network of local employers. I received a phone call that led to a new position where I begin this coming Monday. An awesome job all around, NTI!’

- Andy McKenna

‘Thanks to Northeast, four weeks into the program I received four job offers! It was great to have companies knocking at my door instead of me begging for a job.’

- John Forgione

‘Since completing my training at NTI, I have virtually doubled my weekly income, and above all else, I love what I’m doing and you just can’t put a price tag on that. Thank you NTI.’

- Steven Gauck
