A Message from The Campus Safety Committee at Northeast Technical Institute

The Annual Campus Security Report for 2011 and the following security policies are being issued pursuant to the Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act).

The "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act" was originally enacted in 1990. It was amended in 1998 and is commonly known as the Clery Campus Security Act. Two goals of this legislation are disclosure of criminal activity on campus and timely warning of criminal activity. Northeast Technical Institute (NTI) strongly supports these goals. Our crime reporting procedure, coordinated through the NTI's Safety Department insures that criminal activity on campus is effectively tracked and reported.

The Act requires annual reporting of the number of specified criminal offenses that occur on campus reported to NTI and/or local police, as well as information about campus security policies and procedures. The reporting period is January 1 through December 31 of each year. The statistics for the most recent calendar year, must be released in a report to the NTI community by October 1 of each year.

Specific provisions of this law stipulate that all students, staff and faculty of an institution receive this report. In addition, the crime statistics are reported to the Department of Education and published on our website at www.ntinow.edu.

The 1998 amendments continued the requirements of disclosure of criminal incidents on campus reported to NTI and/or local police, as well as information about campus security policies and procedures.

The crimes covered by the Act are murder, manslaughter, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, and arson. Statistics for the reported incidence of these crimes must be included in the yearly report. Arrest statistics and campus disciplinary referrals for weapon law violations, drug abuse violations, and liquor law violations must also be reported. In addition, statistics must be provided for criminal offenses of murder, forcible rape, and aggravated assault (and any other crime that involves bodily injury) that manifest evidence of prejudice based on race, gender, religion, sexual orientation, ethnicity, or disability.

Data for the yearly disclosure of crime statistics is gathered from information provided by the Student Services at NTI. Additionally, regular inquiries are made of other NTI departments and officials who have significant responsibility for student and campus activities.

NTI Safety Committee Mission Statement

The Safety Committee at NTI exists for the purpose to serve and protect an educational environment designed to provide a community that fosters each student's commitment to education and professional development.

The Committee continually strives for excellence and to maintain a safe and secure environment through service, integrity, leadership and fair treatment to all.

How to Report a Crime - Your Report is Vital

Reporting crime to campus authorities is very important to your campus and your fellow students. It not only helps schools and local authorities apprehend those responsible, but also helps provide an accurate picture of the amount of crime on campus so it can be determined what additional steps may need to be taken.

You Need to Know

Illegal drugs and alcohol pose serious health risks to those who use them. Additionally, state and federal criminal penalties for possession, sale, trafficking and illegal interstate transportation are severe. Disciplinary sanctions at NTI for possession and sale of illegal drugs and alcohol can result in disruption or termination of education or employment. NTI is in compliance and in support of the Drug-Free Workplace Act of 1988.

The unauthorized use of or possession of alcohol on the campus is prohibited. Alcohol, illegal drugs, and weapons are not permitted on the campus. Policies on Alcohol and Drug Abuse, Student Disciplinary Procedures, and Employee Disciplinary Procedures may be found in the NTI Student Catalog and Handbook or the NTI Staff Handbook. These are located respectively in the Student Services Offices and in the Human Resources Office.

Crime Reporting / Records

Jeanne Clery disclosure of Campus Security Police and Crime Statistics Act

The security of all members of the campus community is of vital concern to NTI. In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, information concerning campus security programs, recommended personal safety practices, the authority of Safety Committee, campus disciplinary procedures, and campus crime statistics can be found on-line at www.ntinow.edu or may be requested from the Safety Committee, 51 US Route 1, Suite K, Scarborough, ME 04074.

Numerous efforts are made to inform members of the campus community about campus crime and crime-related problems. The Safety Committee alert flyers, campus emails and our Student Portal (www.ntistudent.com) are used to communicate crime/fire information.

Campus Sex Crimes Prevention Act

The Campus Sex Crime Prevention Act is a federal law that requires sex offenders who already must register in a state to indicate if they are employed or enrolled at an institution of higher education. The state collects information on the offender and then turns that information over to local law enforcement with jurisdiction where the institute of higher education is located.

The Act further requires institutions of higher education, such as Northeast Technical Institute, to inform the campus community how to obtain local law enforcement information on registered sex offenders. Registry lists may be viewed at <http://sor.informe.org>.

Compliance with the Domestic Security Legislation

NTI has established procedures to follow regarding subpoena and Patriot Act requests. Information can be obtained by contacting the Registrar at 207-883-5130.

Crime Statistics

In compliance with the Campus Security Act, according to federal law, specifically the Student Right to Know and Campus Security Act of 1990, the NTI Safety Committee is required to report “statistics concerning the occurrence on campus of criminal offenses reported to local police agencies, or to any official of the institution who has significant responsibility for student and campus activities”.
