Policy on Accepting Foreign Diplomas and Transcripts

Applicants that have a foreign equivalency of a United States high school diploma and meet the School's admissions requirements may be accepted to Northeast Technical Institute.

The School reserves the right to require a certified official English translation if the language used in the documents is not English. Documents that do not have the requisite seals and apostilles on the original foreign high school documentation may opt to obtain an official evaluation of their credentials from a National Association of Credential Evaluation Services (NACES) member organization.

The list of member organizations may be found at www.naces.org. Applicants must present this official evaluation prior to the program start date. Northeast Technical Institute reserves the right to require NACES evaluations for any transcripts in which we are unable to verify the authenticity or legitimacy of the documents provided.
