On Time Completion Rates | July 1, 2014 - June 30, 2015

An on time graduate is a student that completes their program within the timeframe published in the school catalog. The program length for each program can be found in the school catalog. The published length does not include leave of absence or repeated coursework. Some programs* listed below are [Flex-Train](#) (students are allowed to customize their own schedule) and on time graduation rates are sometimes lower compared to term-based programs. We have also included total completion rate as reported to our accrediting agency, the Council on Occupational Education.
